- 'Kincraig Children's Centre Advisory Board'. The group meet once a term, the purpose is to offer advice, assistance and challenge to the Children's Centre on how their services can develop in line with the needs of local families. We are looking for parents and carers who actively use our Children's Centre services to get involved in the development of the Centre. We are keen to hear your views and opinions, as well as feedback from other parents you know. If you would like more information about attending the next Advisory Board meeting please speak to a member of the Children's Centre Team.
